EDUCATION

Bachelor of Science - Statistics
Banaras Hindu University

12/2020 - Present   *Varanasi, India*

Courses
- Statistics
- Mathematics
- Computer Science

Bachelor of Science - Programming and Data Science
Indian Institute of Technology Madras

01/2021 - Present   *Online*

Courses
- Data Science
- Programming

AISSCE - 93.6%
Kendriya Vidyalaya Command Hospital

04/2008 - 03/2020   *Kolkata, India*

Courses
- Physics
- Chemistry
- Mathematics
- Computer Science
- English

WORK EXPERIENCE

Data Science Intern
Spark Foundation

08/2021 - Present   *India*

Achievements/Tasks
- Building a Linear Model to predict the percentage of a student while his study hours are given.
- Doing Peer Review for 5 other Interns.

CERTIFICATES

Machine Learning by Stanford University (02/2021)
Coursera

Machine Learning with Python by IBM (04/2021)
Cousera

Neural Networks and Deep Learning by DeepLearning.AI (05/2021)
Coursera

Improving Deep Neural Networks by DeepLearning.AI (06/2021)
Coursera

Practical Deep Learning with Pytorch (08/2021)
Udemy

Problem Solving (Basic) (04/2021)
HackerRank

SKILLS

Programming Languages - Python, R, C++

Tools - Git, Github, MySQL, MongoDB

Libraries - Numpy, SciPy, Sklearn, PyTorch, Tensorflow

Soft Skills - Time Management, Team Work, Networking, Creative Thinking, Problem Solving

PROJECTS

Computer Vision - Deep Learning (07/2021 - Present)
- A project on the ability of computer to understand and interact with the environment
- Used PyTorch and TensorFlow for Neural Network

VOLUNTEERING

Class Representative (12/2020 - Present)
Banaras Hindu University

Group Leader (05/2021 - Present)
IIT Madras

Club Mentor for Coding Club (07/2021 - Present)
IIT Madras

ACHIEVEMENTS

3 Star @ HackerRank

LANGUAGES

English
Full Professional Proficiency

Hindi
Full Professional Proficiency

Bengali
Full Professional Proficiency

INTERESTS

Data Science   Machine Learning   Statistics

Computer Science   Artificial Intelligence
